Quantico, VA —3/17/15 – Affordable Suites announced the tentative opening of the 49-room Affordable Suites of America in Stafford/Quantico VA in June 2015. The property is located at 44 Woodstock Lane in Stafford, VA., at the corner of Woodstock Lane and Telegraph Road. Affordable Suites Quantico will be the closest extended stay facility to Marine Corp Base Quantico.

Affordable Suites prototype boasts features designed for guests who need accommodations for an extended period of time, offering full kitchens, high speed internet access and separate living and sleeping accommodations. “We’re excited about the new hotel that will be unveiled at the new Quantico/Stafford location”, stated John McConnell, operating partner for the project and franchisee of Affordable Suites of America. McConnell stated “Quantico is a healthy market with a client base that is a great fit for our product.” “Our guests enjoy the accommodations which are typically much larger than a typical hotel room or many other extended stay hotels, and typically pay less than they would at other facilities” McConnell continued. The new hotel will offer 42” Flat Screen LCD televisions in each living room and 32” flat screens in each bedroom as well as a redesigned living area. The facility will also provide an on site guest laundry and exercise facility. The Affordable Suites Quantico/Stafford VA represents the 19th location for the Affordable Suites brand. Online reservations will be available soon at the Affordable Suites website at www.affordablesuites.com/quantico.

The new Resident Manager will be hired in April. All inquiries prior to opening including reservations, rates etc. should be directed to John McConnell at johnmcconnell@affordablesuites.com. Affordable Suites is an all adult, no pets facility.

Two other projects for Affordable Suites are currently in development. The first Midwest location will break ground in Portage, IN this spring. Another location is anticipated to break ground this summer in Mooresville, NC. Chris Rutherford, the Chief Operating Officer for Affordable Suites of America stated

“We are very excited to have such momentum started here. As the word gets out on our low cost/high profitability model, we expect the momentum to continue to build.”
